Multi-Clean®
Your Guide To Clean!

OUR CUSTOMERS REALLY TAKE A SHINE TO US.

And they should. Multi-Clean's total method of floor care makes wet-look floors easy to get, easy to maintain and resistant to scuffs, black marks and wear. As a full-line chemical manufacturer, Multi-Clean brings more than 60 years of experience to your floors. That means you receive a wide variety of floor care products for all types of floors brought to you by experts experienced in floor care. Quality, performance and innovation . . . a Multi-Clean promise.

Multi-Clean offers prompt, professional technical support by experienced floor care chemists. Whether you need a product recommendation or problem solving assistance . . . call the experts.

FINISHES

Floor care isn't difficult with the right tools, and the right system to keep your floors bright year after year. Multi-Clean offers a comprehensive line of high performance finishes designed to work under a variety of maintenance programs to meet customer needs.

EXTENDED WEAR ...

Maximum durability.

Ideal for:

- schools • classrooms
- hospitals • nursing homes

Premier

- Highest durability
- Easy application
- Exceptional black mark resistance
- Quick dry time
- 20% solids

Each Multi-Clean seal and finish is formulated using high performance polymers giving high gloss, non-yellowing, and offering durable protection for tile, terrazzo, and other floor surfaces.

All Multi-Clean finishes exceed the requirements for slip resistance established by ASTM Standard D2047.

VERSATILE ...

Exceptional performance in any maintenance program.

Ideal for:

- schools • colleges
- convenience stores
- hospitals • nursing homes

Splendor®

Burnish 1-3 times per week

- Spectacular gloss
- Optically enhanced
- True labor saver
- 30% solids

Certified Floor Care System

Using the Certified Floor Care System in a Green Cleaning Program can earn points towards LEED® Certification.

Clear Essence

A low odor, zinc free floor finish. Provides a durable, glossy finish that can stand up to burnishing with battery, electric, or propane machines.

Ultra Stripper

Our strongest AND safest stripper. Ultra Stripper liquefies heavy finish buildups quickly for easy removal. It is non-corrosive and has low odor.

Century Maintenance

Century is the ideal cleaner for use in any floor maintenance program. The non-dulling, rinse-free, neutral pH formula allows floors to be effectively cleaned while retaining their shine.

Meets GS-40 Requirements

These products meet Green Seal's environmental standard for industrial and institutional floor-care products based on its reduced human and aquatic toxicity and reduced smog production potential.

Seals

Sealers are designed to fill the pores of resilient tile and terrazzo floors and provide a base for floor finish.

Acryl-Kote®

This 17% metal cross-linked seal provides a foundation for all Multi-Clean finishes.

StainLess

This revolutionary, semi-permanent seal resists stains that penetrate normal seals and finishes.

Finish Strippers

Stripping floors is a labor intensive task. Using Multi-Clean high performance strippers helps remove multiple coats of finish fast and efficiently.

Ultra Stripper

Our strongest and safest stripper. Non-corrosive and low odor. Green Seal certified.

Stampede

An economical, yet powerful, fast acting floor finish stripper. Low odor.

Inferno®

Maximum productivity stripper for fast stripping of multiple layers of finish.

Maintenance Products

Cleaners and restorers are used to keep floors looking good day after day by removing soils and keeping a high gloss appearance.

R.S.B.

Restorer/Spray/Burnish

A versatile high speed restorer for mop-on or spray application. Enhances burnish response, restores brilliant gloss and fills in scratches.

Energize Plus

A ready-to-use spray maintainer designed for high speed burnishing to quickly restore gloss.

Century Maintenance

The ideal neutral pH cleaner for any floor maintenance program.

Blue Blazes

Ideal for use as a scrub and recoat cleaner. Pleasant sassafras fragrance. USDA C-1.

Static Dissipative

Multi-Stat Floor Finish

A static control floor finish designed for areas where a glossy, durable finish is desired and harmful static electricity cannot be tolerated.

The Multi-Clean Method

These easy to read "how to" METHOD BULLETINS are available for all cleaning and floor care processes. The procedures using Multi-Clean products make it easy for supervisory and custodial workers to do the job the right way using the Multi-Clean METHOD.

Guide Sheets - Training Made Simple

Multi-Clean has designed a simple and effective tool to train individuals on various maintenance tasks. Each Guide Sheet takes a specific task and offers simple and straightforward instructions in English and Spanish, including safety and personal protective recommendations as well to supplement OSHA mandated training. The use of ICONS and color coding make it easy to understand each step of the process.

Technical Expertise - A phone call away

Multi-Clean offers a technical support line to distributors, distributor salespeople and their customers. Callers will speak directly with one of our experienced chemists to help recommend the best product, assist in solving cleaning challenges, or providing advice on how to best utilize a product.

Each Multi-Clean seal and finish exceeds slip resistance standards and is tested according to ASTM D-2047 (James Machine Method). For further information about any of Multi-Clean's full line of floor care chemicals, please contact Multi-Clean at 800-433-6816 or simply ask your distributor to demonstrate a product at the location of your choice.
