Multi-Clean®
Your Guide to Clean

Wall Mount Dispenser

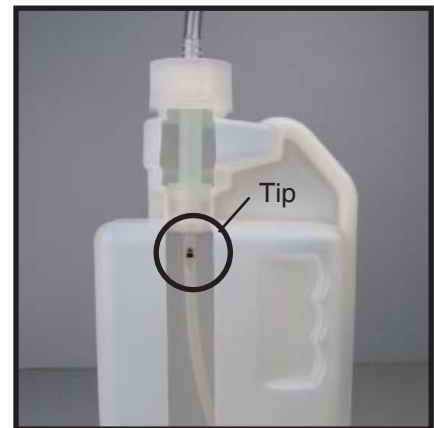

Secure Dispensing

The Multi-Task Wall Mount Dispenser is a great way to easily and securely dispense Multi-Task concentrates. Fill spray bottles, buddy jugs, mop buckets, auto scrubbers, and carpet extraction equipment.

Multi-Task™ System

Two Multi-Task units can easily be connected to form a four button unit with no additional parts needed.

Metering tips are integrated into the container for trouble-free operation.

The Wave

Touchless Cleaning System

The Wave is a battery powered mobile cleaning system designed for cleaning restrooms faster and better. Dilutes and dispenses up to 3 concentrates onto surfaces to be cleaned or disinfected.

Portable Dispensing Options

Flexible

The Multi-Task System includes several portable dispensing options.

Easy Fill gun

The Easy-Fill gun dispenses into mop buckets, scrubbers, buddy jugs. Locks on for filling large capacity containers.

U-Fill Sprayer

The U-Fill Sprayer allows dispensing directly onto surfaces to be cleaned. Switch between product or rinse mode.

U-Fill Foamer

The U-Fill Foamer dispenses foaming cleaner directly onto vertical surfaces. Switch between product or rinse mode.

Squeeze N Pour

No Equipment Required

The patented bottle allows the user to dispense product using the graduated proportioning cup.

Proportion

Gently squeeze container to fill graduated proportion cup.

Pour

Pour measured quantity into mop bucket or auto scrubber.

View

The clear view container allows visual level at all times.

Each Multi-Task concentrate comes in a convenient, multi-lingual, two liter bottle numbered and color coded for easy identification and training.

Product Guide

Each multi-task concentrate is available in the convenient two liter bottle labeled with a number identifier and color coded for easy identification.
