

Hard Surface Cleaners

#5 Century Maintenance

Neutral Floor Cleaner

A new generation daily use floor cleaner friendly to high gloss, UHS finished floors. Will not dull or film on floors, rinse free.

- Rinse Free → Saves labor
- Environmental → Green Seal certified
- Non-Dulling → Helps maintain high shine

Daily Cleaning: 1:256

Yield: 136 RTU gallons

#16 Super Clean Shine

Stone Floor Cleaner

A natural soap based cleaner designed for all types of stone floors including marble, granite, slate, quarry tile, terracotta, travertine, unglazed ceramic, brick, porcelain.

- Natural Soap → Enhances appearance
- Rinse Free → Saves labor
- Protects → Surfaces look better.

Dilution: 1:128

Yield: 68 RTU gallons

#007 Double-O-Seven

Peroxide All Purpose Cleaner

All purpose cleaner with the added power of oxygen (O₂). Contains 7% hydrogen peroxide to effectively brighten surfaces, remove stains, and destroy odors caused by odor causing bacteria.

- Oxygen → Brightens surfaces
- Environmental → Green Seal certified
- Peroxide → Safely Deodorizes Surfaces

Dilution: 1:20

Yield: 11 RTU gallons

#3 Eliminator 3

Spray n' Wipe Cleaner

A potent cleaner for every day spray n' wipe cleaning. A must product for every maid's and janitor's cart for attacking stubborn spots or stains and everyday cleaning.

- Versatile → Use for light touch-up and heavy cleaning
- High Strength → Removes tough soils better

Dilution: 1:16

Yield: 36 RTU quarts

#2 Multi-Shine

Glass and Surface Cleaner

A non-streaking, multi-surface cleaner formulated for glass, mirrors, polished surfaces, vinyl and other glossy/shiny surfaces. Safe on plastics including plexiglass and polycarbonates.

- Multi-Surface → Use on many different surfaces
- Environmental → Green Seal certified
- Non-Streaking → Non-residual, will not streak

Dilution: 1:40

Yield: 87 RTU quarts

#6 Blue Blazes

All Purpose Cleaner

Versatile, all purpose cleaner tackles many tasks. Use in mop buckets, automatic scrubbers, spray bottles, pressure washers, soak tanks, etc. Exceptional for scrub n' recoat applications.

- Multi-Purpose → One product to do many jobs
- Readily Biodegradable → Safer for the environment
- Surface Safe → Use on all water safe surfaces

Dilution: 1:128

Yield: 68 RTU gallons

#70 Tough Green

UV & Laminate Floor Cleaner

A high performance detergent that cleans UV Brilliance and Ultra TC floors without leaving a dulling residue. Also, works great for cleaning all types of laminate floors.

- Rinse Free → Saves labor
- Performance → Cleans Better

Dilution: 1:128

Yield: 68 RTU gallons

Environmental Solutions

- Meets VOC regulations
- No alkylphenol surfactants
- Non butyl, no HAPs solvents
- Non corrosive
- No phosphates, readily biodegradable
- Low aquatic and human toxicity

This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

Note:

* Yield refers to the quantity of RTU product made from each 2 liter container of concentrate.

Restroom/Bath & Shower

#64 Ful-Trole 64 Lemon

Restroom Disinfectant Cleaner

A great general purpose disinfectant. Use as a one product restroom sanitation system for toilet bowls, showers, sinks, all surfaces requiring cleaning and disinfecting.

- Versatile → One product does many tasks
- One step → Cleans & disinfects

Dilution: 1:64

Yield: 34 RTU gallons

#4 Foamy Mac

Restroom, Tub & Shower Cleaner

Non- corrosive to skin. Won't harm chrome. Effectively removes soap scum and hard water scale. Not for use on marble.

- Environmental → Green Seal certified
- Safer → Non-corrosive
- Acid → Cuts lime scale.

Dilution:1:16

Yield: 9 RTU gallons

#33 Soap Scum Remover

Tub and Shower Cleaner

A non-acid, high foaming cleaner for tubs and showers. Clinging foam attacks soap scum with little or no scrubbing.

- High Foam → Clings to surfaces
- Performance → Cleans Better

Dilution:1:40

Yield: 22 RTU gallons

Food Service

#12 HD Hi-Foam

Foam Grease Release Cleaner

Food Service Degreaser designed for penetrating and removing animal fats, oils, grease and general soil in food preparation areas. Use in mop buckets, in foaming equipment and in spray bottles.

- USDA A1 → Meets Performance Standard
- High Foam → Clings to surfaces

Dilution:1:64

Yield: 34 RTU gallons

Carpet Carpet

#13 Extraction

Cleaner for Hot Water Extractors

A special commercial, mildly alkaline formula that is better at removing soil from carpet than other products. Low foaming Extraction Cleaner does not leave a sticky residue that can cause resoiling.

- Superior Cleaning → Commercial formula is better on heavy soil
- No Resoiling → No sticky residues
- Low Foam → Won't over flow recovery tanks

Dilution: 1:256

Yield: 136 RTU gallons

#10 MC-10 Sanitizer

Food Service Sanitizer

A no-rinse, food service sanitizer used for meat room sanitation and general purpose sanitizing of food preparation surfaces. Use in a 3 basin sink system for sanitizing pots, pans and utensils.

- No Rinse → Sanitizing dilution doesn't require rinsing
- USDA Authorized → Approval for food processing use. (D-2 rating)

Dilution: 1:512

Yield: 271 RTU gallons

#14 Carpet Spotter & Pre-Spray

3-in-1 Carpet Cleaner

A multi-purpose product for spotting stains, pre-spraying prior to extraction, and for spin-bonnet cleaning.

- Multi-Purpose → Spot, pre-spray, spin-bonnet
- Powerful → Solvent fortified formula dries quick, won't promote resoiling.

Dilution: 1:40

Yield: 22 RTU gallons

#15 Power Suds

Hand Dishwash Detergent

A high foaming liquid detergent formulated for hand dish-washing. Powers Suds along with MC-10 can be used in a 3-basin sink for an effective cleaning-sanitation system for utensils, pots, pans, etc.

- High Foaming → Cuts grease
- High Strength → Tough on Baked-on Foods

Dilution: 1:256

Yield: 136 RTU gallons

#7 Back to 7

Mild Acid Neutralizer

Multi-use product, use on carpet as a fiber rinse after cleaning or as a floor neutralizer after stripping. Also removes carpet browning. Excellent for ice melt residue removal.

- Mild Acid → Makes carpet softer
- Neutralizes → Prevents finish problems

Dilution: 1:64

Yield: 34 RTU gallons

Health Care

#256 Century Q

Hospital Grade Disinfectant

Workhorse product with the power to clean and disinfect in one step. Century Q will out-clean conventional disinfectant cleaners, but will not harm surfaces including high gloss finished floors.

- Hospital Grade Disinfectant → Kills a wide array of organisms (MRSA, VRE included)
- Virucidal → Kills HIV-1, HBV
- OSHA Compliant → Meets Bloodborne Pathogens standards

Dilution: 1:256

Yield: 136 RTU gallons

#64 Ful-Trole 64 Lemon

Restroom Disinfectant Cleaner

A great general purpose disinfectant. Use as a one product restroom sanitation system for toilet bowls, showers, sinks, all surfaces requiring cleaning and disinfecting.

- Versatile → Single product does many tasks
- One-step → Effectively cleans and disinfects in one easy step

Dilution: 1:64

Yield: 34 RTU gallons

Specialty Degreasers, Strippers, Restorers

#340 Formula 340

High Strength Degreaser

Formula 340 is an all purpose, degreaser that emulsifies petroleum oils and greases. Use with automatic scrubber, mop buckets, pressure washers, and in spray bottles for all your degreasing needs.

- USDAA1 → Meets Performance Standard
- Low Foam → Great for Autoscrubbers

Dilution: 1:40

Yield: 22 RTU gallons

#8 S.B.R.

Scrub-Burnish-Restore

Use as an autoscrub restorer by scrubbing floors immediately followed by highspeed burnishing. Plasticizing agents temporarily soften finish to enhance burnish response. Also great as a top scrub cleaner to prepare floors for recoating when the proper pad is selected.

- Saves Labor → Clean & restore
- Higher Gloss → Enhances burnish response
- Deep Cleans → Floors look better longer

Dilution: 1:40

Yield: 22 RTU gallons

Odor Control

#11 Freshence Odor Control

#17 Tropical Fresh

Odor Counteractant

A true odor counteractant that neutralizes malodors and leaves behind a fresh smelling surface.

- Neutralizes Odors → Odor counteracting chemistry kills malodors
- Fresh Fragrance → Leaves surfaces and rooms fresh
- Versatile → Use to freshen rooms, add to mop water, scrubber tanks, linen bins, etc.

Dilution: 1:64

Yield: 34 RTU gallons

#9 Ultra Stripper

Floor Finish Stripper

An exceptional stripper and problem solving degreaser. Removes finishes fast, great for deep cleaning oil stained concrete, rejuvenates grouted tile floors.

- High Strength → Quickly penetrates and emulsifies
- Low Odor → No fumes, pleasant fragrance

Dilution: 1:20

Yield: 11 RTU gallons

Multi-Task Dispensing System

The choice is up to you... The unique patent pending **Multi-Task** container lets you decide how to dispense high performance cleaning concentrates.

Wall Mount – Secure Dispensing

Accurately dispenses 2 or more products from the **Multi-Task Dispenser** at the touch of a button.

Multi-Task – Squeeze and Pour

No equipment required... Simply squeeze the container until the desired quantity fills the measuring cup.

Multi-Task – U-Fill Gun

Dilutes product at 2.5GPM into RTU container, mop bucket or autoscrubber.

Multi-Task Product Application Guide

Industry: Factories, Warehouses, Assembly Plants

64 Ful-Trole 64	For restroom cleaning
340 Formula 340	Scrubbing floors and general purpose degreasing
2 Multi-Shine	All windows and mirrors
4 Foamy Mac	Showers

Schools and Institutions

4 Foamy Mac	Showers
