

# ULTRA 70

## Neutral Emulsion Floor Cleaner

**ULTRA 70™** is a concentrated neutral pH cleaner and degreaser specifically formulated for use in the daily maintenance of ULTRA Tc and UV Brilliance protected floors. ULTRA 70 leaves the floor shiny, clean and bright. Damp mop or autoscrub daily to maintain the bright and glossy appearance you expect from Ultra-Tc and UV Brilliance Floors. This formula will not leave a residue on the floor when used at 2 ounces/gallon (15 ml/l).

The unique blend of biodegradable surfactants and environmentally safe solvents penetrates the dirt, grease and grime and holds them in suspension until removed with a wet pick-up vacuum, mop, squeegee or automatic scrubber.

### Use Everywhere

Great for use in kitchens, restrooms, warehouses, machine shops, hotels, schools or anywhere else dirt, grease and grime are found.

**Ultra 70** can be applied with an automatic scrubber, mop, pressure sprayer, sponge or brush. Use on concrete floors, ceramic tiles, walls, ceilings, painted surfaces, stainless steel, aluminum, chrome, car and trucks, aircraft, sealed wood, machinery or any water safe surface.

### Environmentally Friendly

Ultra 70 is highly biodegradable and effectively cleans particulates on oily soils without the use of phosphates, or butyl.

Environmentally Responsible

Great for Daily Cleaning and Conditioning of Ultra Violet Ultra Tc or UV Brilliance floors.

### Properties

#### SPECIFICATIONS: ULTRA 70
