

# Non-Butyl Plus™

## Industrial Degreaser

Non-Butyl Plus is a powerful, yet economical concentrated industrial degreaser formulated with water based solvents and other compatible cleaning agents to achieve thorough, heavy-duty degreasing. Non-Butyl Plus can be used indoors/outdoors with high pressure washers, mops, scrubbing brushes and is ideal for use in automatic scrubbing machines.

### **SURFACE SAFE**

Non-Butyl Plus can be used to clean common soil from floors, walls, ceilings and any surface that is resistant to alkaline cleaners.

### **CLEANS AND DEGREASES**

Non-Butyl Plus is excellent for removing grease and dirt from kitchen surfaces, stove hoods, and ventilating systems. Cleans terrazzo, ceramic and is especially good for cleaning greasy concrete floors. It also removes grease deposits from all machinery and is safe for use on aluminum.

### **Environmentally Friendly**

Non-Butyl Plus is biodegradable and contains no petroleum distillates, phosphates, NPE's, caustics or butyl.

The water based solvents used in Non-Butyl Plus are more effective, has a safer health profile and is more environmentally friendly than "Butyl", also known as 2-Butoxy Ethanol, CAS #111-76-2.

### **USDA APPROVED**

Non-Butyl Plus Meets USDA Performance Standards for A-4 Type Products.

*NOTE: Use only on surfaces resistant to alkaline cleaners. Floor finish and other sensitive surfaces may be adversely affected.*

*Safety First: Rubber gloves and safety eyewear should be used when cleaning by hand.*

Non-Butyl Plus is formulated with water based solvents for economical, yet effective degreasing.

### Properties

|                             |  |
|-----------------------------|--|
| Appearance .....            | Low viscosity, blue liquid concentrate   |
| pH .....                    | 13.2 ± .2  |
| Specific Gravity .....      | 1.04   |
| Flashpoint .....            | None   |
| Use Dilution .....          | Heavy Duty - 8 - 16 oz/gal of water<br>Normal - 2 - 4 oz/gal of water                    |
| Foamability .....           | Moderate-high  |
| Hardwater Tolerance .....   | Yes  |
| Detergency .....            | Excellent  |
| Biodegradable .....         | Yes  |
| Phosphate Free .....        | Yes  |
| Storage Stability .....     | Excellent, 1 year normal conditions  |
| Freeze-Thaw Stability ..... | Will freeze - usable after thawing with no change in performance. Agitate after thawing. |
