

# Sanitation Station

This unit automatically dilutes and dispenses concentrated cleaning products in a foaming and/or spraying mode.

**The simplest, most effective sanitation system available.**

You can't find a simpler, easier to use sanitation system than this. Select a function (foam, rinse, or sanitize), and you're in business. It's that easy!

### **Some of the unique features include:**

- Specially designed eductors require less water to operate, delivering better performance against the back pressure of long discharge hoses and spray guns.
- 4.5 gpm (18 lpm) rinse function provides full flow rinse for quick, effective rinsing.
- Stainless steel components are resistant to chemical attack and hard water deposits.
- Integrated hose rack eliminates need for separate, costly hose hanger.
- Easily understandable English/Spanish labeling to allow proper use by workers.
- System delivers effective performance with water up to 140° (60° C).
- Multi-function foam gun provides multiple foaming and spraying patterns.
- Use with Multi-Clean dilution control super concentrates.

**Reliable performance in a wide variety of applications.**

### **Uses:**

- Supermarket meat room
