Odor-Rite Tropical

Odor Counteractant & Neutralizer Kills Odors

Not just a coverup, Odor-Rite Tropical Fresh Odor Control's unique chemistry captures and inactivates malodor molecules.

Versatile

Use in a spray bottle for general air freshening, pump up sprayer for dumpsters, or other malodor sources. Add to mop water or autoscrubber solution tanks to leave a fresh scent behind after cleaning.

Fresh N' Clean Fragrance

After using Odor-Rite Tropical Fresh Odor Control, a long lasting fresh fragrance is left behind to leave areas smelling clean.

To control malodor sources:

Spray diluted product directly on odor causing source.

Dumpsters • Garbage Cans • Diaper Pail • Linen Bins • Garbage Chutes • Portable Toilets

To freshen surfaces and leave behind a lasting clean fragrance:

Add product to cleaning solutions, mop buckets, autoscrubber tanks, carpet extractors, etc.
Floors • Walls • Restrooms • Smoke Damage-Restorations

Multi-Task Dispensing System

The unique patented **Multi-Task** container gives you dilution flexibility.

Secure Dispensing

Accurately dispenses 2 or more products from the **Multi-Task** container at the touch of a button.

Squeeze and Pour

No equipment required. Simply squeeze the container to measure the desired amount.

Easy-Fill Gun

Dilutes product at 2.5GPM into RTU container, mop bucket or autoscrubber.

The Wave

No Touch Cleaning restrooms made simple..

Typical Properties
