

Odor-Rite Tropical

Concentrated Deodorizer with Enzymes

ODOR-RITE Tropical is an advanced concentrated deodorizer that is designed to eliminate all malodors found in hospitals, nursing homes, schools, hotels, casino's, RV's, office buildings, public restrooms, etc.

Odor-Rite Tropical will destroy odors at the source, not just mask them. Odor-Rite also contains enzymes which will continue to attack odors for continued freshness. Leaves surfaces with a great tropical citrus scent.

Eliminates odors caused by:

Smoking, cooking odors, urine, vomit, mold, mildew, fires, pets, garbage pails, bed pans, drain traps, carpets, upholstery etc.

Directions:

General Deodorization: Dilute 4 - 8 oz/gal. (30 - 60 ml/liter) and spray fine mist directly into the air or on hard surfaces, upholstery or any other surface not damaged by water.

For Mop Buckets: Dilute 2 - 4 oz/gal (15 - 30 ml/liter).

For Carpet Shampooers/Extractors: Add 1 - 2 oz/gal (8-15 ml/liter) directly into the carpet cleaning solution or rinse water.

For Dumpsters or Smoke Damaged areas: Spray all surfaces with undiluted product.

Note: Every odor is different...Effective deodorization will depend on experimentation with dilution ratio's. Try dilutions from 1/2 oz/gal to Full Strength for maximum effectiveness.

Odor-Rite Tropical is scientifically designed to eliminate odors, not just mask them.

Properties

Appearance	Purple Liquid
Fragrance	Tropical Citrus Scent
Specific Gravity	1.00
pH	6 - 8 (Neutral pH)
Dilution	General Deodorization: 4-8 oz/gal Carpet Extractors: 1-2 oz/gal. Garbage Dumpsters: Use Straight
Phosphate Free	Yes
Biodegradable	Yes
DOT Shipping	Cleaning Compound, N.O.S.
Flashpoint	Approximately 212°F
Storage Stability	1 year at room temperature
Freeze-Thaw Stability	Will freeze - no damage after thawing.
