

Sani-Foam

Foaming Non-Alcohol Hand Sanitizer

Sani-Foam Foaming Non-Alcohol Hand Sanitizer is a no-rinse foaming hand sanitizer that can be used to kill 99.999% of the germs on your hands in 15 seconds*. This water based sanitizer has been specially formulated with a unique quaternary ammonium antimicrobial compound (Benzalkonium Chloride, USP) which is highly effective against typical gram-positive and gram-negative bacterial organisms.

Hand Hygiene has been cited as the most important factor in preventing the spread of infections and illnesses, such as colds & flu. **Sani-Foam is also proven effective against MRSA.**

Alcohol hand sanitizers can dry out your skin with repeated use. Sani-Foam Non-Alcohol Hand Sanitizer contains moisturizers that will leave your hands smooth and soft and repeated use will not cause dry chapped hands.

Benefits

- Promotes healthy environment
- Reduces the risk of illness
- Kills germs including MRSA
- Leaves hands smooth & soft
- Non-Flammable (No Alcohol)
- Does not damage floor finish
- Non-Hazardous
- Requires no water
- Great where water is not available
- Has regulatory acceptance under 11 US FDA monographs.

One pump is all that is needed.

Foaming Hand Soap Dispensers gives you instant foam with the push of a lever.

Foaming Handsoap Dispenser
 White, 421850
 Smoke, 421860
 1,000 ml Refill Cartridge, 421855
(Must purchase cartridge separately)
