

# Side Strip

## Aerosol Base Board Stripper

A special gelled stripper for fast and easy removal of floor finish buildup on baseboards and on hard-to-reach floor surfaces.

SIDE STRIP'S powerful gel allows baseboards to be treated quickly. Fast effervescent action means the product quickly penetrates and attacks even heavy buildup for easy removal. The thickened gel formulation allows the stripper to cling to vertical surfaces such as baseboards, metal doors and frames.

- SIDE STRIP cleans and strips areas where floor machines can not reach.
- SIDE STRIP uses an inverted aerosol valve system to enable spraying the can upside down or from the side.
- Easy to control where the gel is sprayed.
- SIDE STRIP will remove years of wax build-up on tile, wood, linoleum and composition floors.

SIDE STRIP'S powerful gel allows baseboards to be treated quickly.

### Properties

Appearance .....	Clear gel
Odor .....	Solvent odor
pH .....	11 - 12
Dilutions .....	Ready-to-Use
Form .....	Aerosol Can
Storage Stability .....	1 year normal conditions
Freeze Thaw .....	Passes 3 cycles
