DECADE® 100 is a 25% high solids floor finish designed to provide the highest possible gloss with less coats.

DIRECTIONS:

- 1. Remove any old or weak finish by stripping with a finish stripper.
- 2. Use DECADE 100 as a seal or finish.
- 3. Apply two or more coats of DECADE100
- allowing 35-45 minutes dry time. When humidity is high and/or temperature is low, additional dry time should be allowed.
- 4. Never pour unused finish back into original container
- 5. Maintain with neutral pH floor cleaner according to directions.
- 6. RSB can be used as a high speed restorer. BUFF N' CLEAN is recommended for spray buffing
