

# Orbital ECO<sub>2</sub> System

## Low Moisture Carpet Cleaning

- ✓ **Better Results**
- ✓ **Less Labor**
- ✓ **1 Hour Dry Time**

**Multi-Clean®**

# Orbital ECO<sub>2</sub> System - Better Results

A new way to clean carpets using a unique synergy of random orbital agitation, a special scrub pad, and peroxide fortified encapsulation chemistry.

- ✓ Safe for use on nylon, olefin, and wool carpets.
- ✓ Perfect low moisture system for carpet tile.
- ✓ Low moisture system helps prevent wicking.
- ✓ ECO<sub>2</sub> Encapsulation Cleaner and VaMoose Spotter contain hydrogen peroxide for cleaning, brightening, and stain removal.

## Orbital ECO<sub>2</sub> System

- Orbital agitation plus encapsulating polymers surrounds dirt.
- Dries in one hour, carpets are quickly put back into service.
- Hydrogen Peroxide power destroys odors and removes soil.
- Carpet and Rug Institute seal of approval.

## How It Works

*Soil particles and grease attach to carpet fibers.*

*ECO<sub>2</sub> surrounds and encapsulates dirt and greasy soil.*

*Orbital agitation loosens encapsulated soils for easy pick-up.*

# Orbital ECO<sub>2</sub> System - Labor Cost Reduction

## Efficient:

40% labor cost reduction compared to an extractor with an 18 inch scrub path.<sup>1</sup>

## Better Results:

The Orbital ECO<sub>2</sub> System removes soil and leaves no sticky residue. Bonnet cleaning simply spreads soil around.

## 5 X Faster:

Dries in about an hour.  
Extracting carpet can take 5 or more hours to dry.

## Cost Effective:

One gallon of ECO<sub>2</sub> can clean up to 35,000 square feet.

## ECO<sub>2</sub> Dilutions:

Normal to Heavy 1:10 (13 oz/gallon)  
Coverage - 8,000 - 20,000 sq ft

Light Duty 1:32 (4 oz/gallon)  
Coverage 25,000-35,000 sq ft

## Spotting:

Vamoose spotter powers out most stains such as coffee, tea, soda, sport drinks, wine, urine, greasy food, dairy, ketchup, tomato sauce.

# Orbital ECO<sub>2</sub> System - Products

## ROS-17

*Random Orbital Scrubber*

- 17 inch diameter pad driver
  - Portable - 93lbs
  - 1.5 HP motor, 12 amps, 115 volts
  - Quiet — Suitable For Use In Any Environment
  - Large 10 inch diameter wheels
  - 3.9 gallon tank
- Item number ROS17

## Orbital Scrub Pad

- 17 inch diameter
  - Long life
  - Two sided
  - Washable
- Item number 421016

## ECO<sub>2</sub>

*Encapsulation Cleaner with peroxide*

- Low moisture, fast drying
  - Encapsulates soil
  - Leaves no sticky residue
  - Hydrogen peroxide fortified
- Item number 902393

## VaMoose

*Peroxide spotter RTU*

- All purpose
  - Encapsulates stains
  - Handy quart size
- Item number 902088

## Application

- 1 Vacuum carpet
- 2 Spot stains using Vamoose
- 3 Dilute ECO<sub>2</sub> and add to tank
- 4 Pre-spray scrub pad
- 5 Mount pad and spray as you move forward, move backwards without spraying
- 6 Allow carpet to dry
- 7 Vacuum when time permits
