Commercial           Health Care
Retail               Churches
Day Care             Property Management
70 Tough Green helps rejuvenate high gloss finished floors by repairing microscratches. When followed with high speed burnishing gloss is further enhanced.

Great for use in kitchens, restaurants, food service facilities, restrooms, warehouses, machine shops, hotels, schools or anywhere else dirt, grease and grime are found.

Meets USDA performance standards for C-1 type products. On food contact surfaces, rinsing with potable water is required.
