

# Multi-Clean Animal Care

## Protocol for Properly Cleaning and Disinfecting Veterinary Hospitals and Clinics

### Hard Surface & Floor Cleaning and Disinfecting

1. Remove any animals, large messes, obstacles from area to be cleaned.

2. Apply 256 Century Q\* with a spray bottle and spread evenly with a cloth. Allow surface to remain wet for at least 10 minutes or let air dry.

3. For floors, apply Tough Green with a mop and bucket, working from back to front of room. Allow to air dry.

4. Rinse bucket and replace with diluted solution of 256 Century Q\*.

5. Apply to floor with a mop, working from back to front of room. Allow to air dry.

6. Spot-clean any urine stains by first spraying water on the stain.

7. Saturate the stain with Bio-Power Plus and agitate with a cloth. Press a dampened towel on the area to soak up the solution and let dry.

# Multi-Clean Animal Care

## Protocol for Properly Cleaning and Disinfecting Veterinary Hospitals and Clinics

### Kennel and Animal Containment Cleaning and Disinfecting

1. Remove all animals, bedding, toys from kennel.

2. Rinse inside & outside of kennels with water to remove any large, visible messes.

3. Apply Foamy Mac with foaming sprayer or U-Fill Gun to inside of kennels, starting from bottom and working to top. Be sure to apply Foamy Mac to all surfaces in the kennel.

4. If necessary, agitate sprayed areas with a deck brush. Allow Foamy Mac to dwell for 5-10 minutes. Rinse with clean water.

5. Spray 256 Century Q on inside and outside of kennels, working top to bottom and back to front. Be sure to cover all six surfaces. Spread evenly with a cloth.

6. Allow surface to remain wet for at least 10 minutes or air dry.

# Multi-Clean Animal Care Products

**256 Century Q Disinfectant Cleaner** is a hospital grade neutral pH disinfectant cleaner that can clean and disinfect in one step. Effective against a broad spectrum of bacteria, virus's, fungi, mold & mildew, including HIV, HBV, HCV, MRSA, VRE. EPA Registered. 1/2 oz/gallon

**128 E-FECTicide** Super Concentrated One Step Cleaner/Disinfectant: With fast 10 minute contact time, 8 ounce per gallon, delivers non-acid disinfectant and cleaning performance against Canine Parvovirus (see Technical Bulletin for complete list). Fresh fragrance. EPA Registration Number 6836-365-5449.

**64 Millennium Q Disinfectant Cleaner** is a virucide, fungicide and deodorizer. It both cleans and disinfects in one convenient step. 64 Millennium Q is a total restroom sanitation product, used to clean floors, walls, fixtures, sinks, etc. Dilution 1:16 (8 oz./gal). Also available in our Multi-Task system. EPA Registered.

**Microcide TB Disinfectant Cleaner** is a ready-to-use cleaner/disinfectant. It is used in a spray bottle to disinfect walls, partitions, fixtures, sinks, countertops, etc. EPA Registered. RTU

**Bio-Power** contains 20% Phosphoric Acid. Use to remove hard water deposits, scale, rust or stains from toilet bowls & urinals as needed. Great for cleaning tile grout too. RTU.

**Tough Green**, formulated to polish and clean stainless steel surfaces and removes fingerprints, oils, dirt, water spots, and other residue. It is effective on chrome, brass, sealed wood, etc. Stainless Steel Cleaner will leave a streak-free shine without oil residue that most polishing products on the market have. 1 oz/gallon

**Foamy MAC®** is a safe acid cleaner formulated to remove hard water scale and soap scum from surfaces, such as chrome fixtures, showers, walls, floors, etc. It can also be used to clean ceramic tile grout. Foamy MAC is Green Seal Certified as environmentally safe. 8 oz/gallon

**Century Q Wipes** is an advanced cleaner formulated with a unique blend of surfactants, brighteners and mild abrasives that work together to achieve superior cleaning performance. Removes stubborn spots, soap-scum, grease and grime on all scratch resistant surfaces. Use on ceramic tiles, grout, drinking fountains, steam tables, sinks, counter tops, wash basins, shower stalls, bathtubs, toilet bowls, urinals, and any surfaces not harmed by mild abrasives. RTU
