# Industrial Degreasers

## Fury Degreaser

### Heavy Duty degreaser

An advanced, non-corrosive degreaser that removes oils and grease. Ideal for shop degreasing at automotive dealerships, car/truck repair garages, industrial factories, and warehouses. Moderate pH minimizes disposal concerns.

## Formula 340

### Autoscrubber Degreaser

Concentrated, heavy-duty, low foam degreaser for use in automatic scrubbers. Safe for most metals including aluminum. Excellent for use in pressure washers. USDA A4.

## Mastery dL®

### Citrus Solvent Degreaser

Designed to remove stubborn tar, asphalt, gum, adhesives, rubber tire marks, etc. Use straight or dilute with water as needed.

## Citrus Assault

### All Purpose Degreaser

Fortified citrus degreaser. Use in automatic scrubbers, mop buckets, parts cleaning, trigger spray cleaning.

## Pressure NB

Non-corrosive yet powerful industrial degreaser formulated to achieve thorough, heavy-duty degreasing. Pressure NB can be used indoors/outdoors with automatic scrubbing machines, mops, scrubbing brushes and is ideal for use in high pressure washers.

## Vehicle Cleaner

### Wash and Wax Formula

A highly concentrated formulation with corrosion inhibitors. Excellent removal of normal soil from cars, trucks, buses, etc.

## P-4 Truck Wash

Formulated to remove road film, soot and grease from trucks and other heavy equipment without damaging vehicle finish or aluminum surfaces. It can be applied by pressure washer or with brushes.

# Dilution Control

## Rapid Station

### 10 GPM Fill Rate

Fills autoscrubbers and mop buckets 2-4 times faster than conventional dispensing equipment.

#### Rapid Station Includes:

- Metering tips
- Bung adapter
- Proportioning unit
- Mounting hardware
- Watts vacuum breaker
- 10 ft. discharge hose
- 8 ft. product supply hose
- Stainless steel check valve

#### Rapid Station Drum Dispensing:

Assemble product supply hose, insert appropriate tip and attach supply hose to inductor. The Rapid Station dispenser fills auto scrubbers and other large reservoirs at 10 gallons per minute (37.8 liters per minute) 3 minutes for a 30 gallon tank. Unit includes a built in vacuum breaker, 10 feet of discharge hose, and metering tips. Stainless steel cover and brass internal components offer durability and long service.

## One Button

One Button modular dispensing system can be ganged together, allowing you to easily couple together any number of stations to create a system to meet facility needs. Versatile dispenser allows user to build the system they require or mount units individually.

Part number 421321 includes Action Gap backflow with 4 gpm (16 liters/minute) proportioner, tip kit, chemical hose assembly with weighted end, discharge hose with hanger, water supply hose, mounting hardware and instructions.

# Concrete Care

## LD-1000

A water-based acrylic polymer coating designed to seal and protect concrete floors in moderate wear areas. Great for acid stained floors.

## HD-3000 Gray

A waterborne two-part epoxy that offers the durability and chemical resistance of solvent-based coatings without the problems associated with solvents.

## Formula 305

A powerful low foam degreaser that cuts petroleum and animal/plant oils and fats. Great for food service floors, restaurants, cafeterias, packing plants, etc. USDA A1.

## Crete-Kleen

Cleaner/Degreaser  
Concentrated cleaner and degreaser with a built-in concrete hardener. Use in combination with diamond pads (3000 grit).
