Your Guide to Clean

## ECO<sub>2</sub>

### Encapsulating Carpet Cleaner with Oxygen

- Low Moisture System
- Cleans Carpet Fast
- Concentrate Saves Money.
- Can also be used for Pre-Spray

# ECO<sub>2</sub>

## Encapsulating Cleaner with Oxygen

The **ECO<sub>2</sub> Carpet Cleaner** from Multi-Clean is a low moisture system that encapsulates soil for easy removal and leaving no residual. Hydrogen peroxide supplies oxygen (O<sub>2</sub>) to help destroy odors and power out soils, leaving carpets looking and smelling clean.

### The Benefits

**Encapsulation of Soils:** Clean Carpets Stay Clean Longer - Encapsulation technology uses a crystalline polymer that surrounds soils and detergent residues. When carpet is dry, the brittle polymer fractures, creating particles that are easy to vacuum, leaving carpets virtually free of contaminants.

**Low Moisture:** Dramatically Reduce Downtime - Return carpets to service is as little as one hour. Use one of the equipment options below to work ECO<sub>2</sub> into the carpet.

### Equipment Options:

**Best:** Orbital floor machine with striped bonnet.

**Very Good:** Counter-rotating cylindrical brush machine with nylon brushes.

**Good:** Low speed floor machine with striped bonnet.

**Fresh Carpets:** Oxygen Attacks Stains and Freshens Carpets - Odor causing bacteria, mold and mildew, can proliferate in carpets under the right conditions, causing malodors. The oxygen in ECO<sub>2</sub> allows for color safe bleaching of stains and ability to destroy odors in carpet leaving it look and smell clean.

### Directions

1. Vacuum carpet thoroughly.
2. Mix ECO<sub>2</sub> with water in a pump up sprayer.
3. Apply solution to an area of carpet about 400 sq.ft.
4. Allow to stand 1-5 minutes, then agitate. Allow carpet to dry 30-60 minutes before opening to traffic.
5. Vacuum floor as time permits.

### Encapsulate Soil and Vacuum Away

#### Properties

Appearance .....	white, milky
Fragrance .....	mild citrus
pH .....	4-6
Polymer .....	acrylic
% Hydrogen peroxide .....	3-4%
Diluton Rate .....	Normal: 1:32 (4 oz/gal.) Heavy: 1:10 (12 oz/gal.)
Coverage .....	11,000 sq. ft/gal (conc.)
Shelf Life .....	12 months under normal conditions

VOC Compliant - VOC Free

This product meets the Carpet and Rug Institutes seal of approval.

#### Packaging

4x1 gallon case  
902393

28062018
