- All Purpose Cleaner/Degreaser
- Use Daily on All Types of Floors

Zyme-X

Bio-Enzymatic Anti-Slip Cleaner/Degreaser

Zyme X is a bio-enzyme based all-purpose neutral cleaner-degreaser harnessing the power of beneficial bacteria and specially cultivated enzymes.

A True Multi-Use Cleaner

Use Zyme-X as a daily cleaner and degreaser. Zyme-X can be safely used at 2-4 oz per gallon on a wide variety of flooring including VCT, Luxury Vinyl Tile, Linoleum, Rubber, Ceramic, Porcelain, Marble, Granite, Wood, and Laminates. Also great on Epoxy Floors.

Use in Kitchens, bathrooms, food prep areas, grocery stores, delis, schools, lockerrooms. Also great for trash chutes to degrease and deodorize. Helps break down urine deposit and their odors.

Great for Autoscrubbers

ZYME X is low foam and perfect for use in auto-scrubbers. Keeps autoscrubber recovery tanks odor free.

A Safer Degreaser

Floor Degreasing: Zyme-X at 4-6 oz per gallon can be used for floor degreasing in kitchens, food processing areas and other floors that become greasy and slippery.

Replaces caustic degreasers.

Keeps Pests in Check

Regular use of Zyme-X on kitchen floors helps keep drains odor free.

Directions

Light Duty Cleaning and Maintenance 2 OZ/GAL. (1:64)
Medium Duty Cleaning 4 OZ/GAL. (1:32)
Heavy Grease/Heavy Floor Maintenance ...6 OZ/GAL. (1:20)

1. Dilute according to soil conditions using warm water.
2. Apply solution onto floor using mop or automatic scrubber.
3. Allow solution to penetrate soil.
4. If needed, brush floor with a stiff bristle brush.
5. Pick-up solution or squeegee to drain.

**Floor Coating and
Finishing Material As
To Slip Resistance
Only SA45311**

Properties

Appearance	Green
pH	8 - 9
Specific Gravity	1.00
Enzymes Produced	Cellulase, Protease, Amylase, Lipase, Urease
Dilution	2-6 oz. per gallon
Foam	Low-Moderate
Hard Water Tolerance	Excellent
Rinsability	Excellent
Storage Temperature	40°F - 60°F (4° - 15°C)
Storage Stability	1 year under normal conditions
Freeze-Thaw Stability	Passes three cycles
VOC Compliant	VOC Free
Flash point	None
