Bio-Enzymatic

Trap and Drains

Bio-Power

Effectively maintains flow through drain lines by consuming organic build-up in pipes. Excellent for grease traps. Reduces or eliminates the need to pump traps. Use in any facility where food is handled. Effective odor counteractant for drains.

Urine and Odors & Stains

Bio-Power is a multi-purpose biological digester/odor counteractant, containing a synergistic blend of microorganisms that release enzymes to consume a variety of organic debris including urine deposits, trap & drain grease, vomit, blood stains, septic waste and other similar odor causing debris.

Bio-Power is effective at eliminating persistent urine odors in carpet and other surfaces.

- Great for use in kennels.
- Use on carpet, pet beds, furniture.
- Helps in eliminating territory marking.
- Safe for Septic Systems: Initially 1 pint per 25 cubic feet capacity, maintain by using 8 oz. per week.

PP-Gone

Hydrogen peroxide formula rids urine odors and stains. Peroxide powered cleaners destroys urine odors and stains on hard and soft surfaces.

Bio-Enzymatic Action uses beneficial bacteria which release specific enzymes that break down a wide variety of organic material to enhance cleaning and counteract bad odors.

Bio-Enzymatic Action is an immediate effect where cultivated enzymes readily break down animal and vegetable fats and oils. The enzymes continue working after the initial cleaning and also help prevent drain build up and odor.
