

Eco-Preferred Solutions

Green Cleaning, is Defined as
Cleaning that Minimizes Impact
on Health and the Environment

Multi-Clean[®]

Eco-Preferred Product Line

Eco-Preferred products are high performance formulas designed for facilities that have implemented or are interested in “Green Cleaning” programs. The Multi-Clean Eco-Preferred line can help facilities earn points toward LEED-EB* certification as well as achieve the goals of a Green Cleaning program. These products can also help you comply with requirements of Green Seal GS-42 Environmental Standard for Cleaning Services.

Cleaners/Degreasers

Century Maintenance Cleaner

 Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping. Great for use in UHS Programs. Neutral pH 7

Tough Green

 Formulated to provide powerful degreasing and still be safe for the user and the environment. Tough Green can be used for all types of cleaning and degreasing.

Blue Blazes

 Use on walls and vertical surfaces, venetian blinds, leather and plastic upholstery, steel files and lockers, truck and automobile bodies, stainless steel food processing equipment, porcelain and chrome surfaces, dustmop laundering, bowling pins, etc.

Bio-Power Plus

 Multi-purpose biological digester/odor counteractant containing a synergistic blend of microorganisms that release enzymes to consume a variety of organic debris including urine deposits, trap & drain grease, vomit, rotting garbage, milk and blood stains, septic waste and other similar odor causing debris.

Red Lightning

 Use on walls and vertical surfaces, venetian blinds, steel files and lockers, sealed wood, truck, aircraft and automobile surfaces, stainless steel, aluminum, food processing equipment, porcelain and chrome surfaces, etc.

Multi-Shine

 Multi-Shine is a high performance cleaner for glass, mirrors and polished surfaces. The product cuts through dirt, grime, smudges and smoke films for fast and easy cleaning with no streaking. Can also be used on polycarbonate surfaces.

This product meets Green Seal™ Standard GS-37, GS-40 or GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. GS-37-certified products also met criteria for concentrated volume and minimized/recycled packaging. GreenSeal.org.

Safer Choice-labeled products meet EPA's safer product standards: 3 Eliminator, 70 Tough Green, Tough Green, and Double O Seven.

The product adheres to Multi-Clean's internal evaluation of strict criteria in order to have minimal human health and environment impact.

Bio-Based products formulated with renewable resources that meet USDA Biopreferred product requirements.

CRI products formulated to meet product requirements.

Eco-Preferred Product Line

Restroom Care

Century Q 256

No-rinse, neutral pH, hospital disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. Use on all non-porous environmental surfaces that require disinfecting.

Foaming Hand Soap

With lanolin and aloe, delivers rich creamy moisturizing foam when dispensed through Multi-Clean's unique foamy dispenser. This foaming hand wash cleans daily soils off of hands and has a citrus floral scent. No need to wet hands before applying.

Green Isle Hand Soap

Delivers rich creamy moisturizing foam when dispensed through Multi-Clean's unique foaming dispensers.

Green Isle Foaming Hand and Body Wash is gentle to both hair and body with a citrus fresh scent. Rinses easily leaving skin feeling clean and moisturized.

Carpet Care

Extraction

EXTRACTION will not clog spray jets or otherwise interfere with equipment operation. This mild pH formulation is safe for use on most carpets, including stain-resistant 5th generation nylon.

ECO₂

A low moisture system that encapsulates soil for easy removal and leaving no residual. Hydrogen peroxide supplies oxygen (O₂) to help destroy odors and power out soils, leaving carpets looking and smelling clean.

Bio-Shine

A concentrated daily floor cleaner that is based on palm, coconut, sugarcane, and corn. Naturally clean... Bio-Shine is fortified with enzymes to consume waste and neutralize odors.

One Shot Single Dose System

Multi-Clean's reusable, refillable, trigger spray bottle with cartridges of concentrate that, when mixed with water, makes a quart of ready to use cleaning solution. Multi-Shine glass cleaner, Foamy Mac restroom cleaner, and E-FECTicide disinfectant make up the product line. Each One Shot cartridge contains enough super concentrated cleaning power to make one quart.

A simple way to create ready to use solutions, there's no pouring, no spilling and no hassle like conventional refill bottles.

Certified Floor Care System

Emerald Floor Finish

Does not give off harsh ammonia fumes during application making this finish ideal for use in hospitals, nursing homes, schools and other areas where odor must be kept to a minimum. Emerald exhibits excellent burnish response using high speed and ultra high speed equipment.

Ultra Stripper Finish Remover

Ultra-Stripper is able to remove build-up of floor finishes with great efficiency. This highly active stripper cuts even heavily burnished films down to bare floors quickly. Ultra Stripper also works great for deep cleaning grouted tile floors.

Century Maintenance Cleaner

Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping. Great for use in UHS Programs. Neutral pH 7

Dilution Control System

007 Double O Seven

Use for all daily cleaning tasks including floors, walls, glass, mirrors, countertops, and more. The combination of hydrogen peroxide (the "OXYgenator" which provides color safe bleaching and deodorizing) and biodegradable surfactants provides superior cleaning of all water safe surfaces, yet is very environmentally responsible.

2 Multi-Shine

Use on all glass and mirrors. Great for general purpose cleaning of any polished or painted surfaces (brass, aluminum, vinyl, plastics, formica, stainless steel, etc.) Safe for use on polycarbonate.

3 Eliminator

Stronger than general purpose cleaners, attacks and lifts everyday grease and grime on hundreds of surfaces. Simply spray and wipe surfaces clean.

4 Foamy Mac

Use on sinks, countertops, and fixtures for daily cleaning and deodorizing of restroom surfaces. Excellent for showers and tubs to remove stubborn hard water scale and soap scum. Safe on chrome surfaces for daily usage. Removes and prevents mineral deposits and soap scum build-ups. Brightens grout.

5 Century Maintenance

Highly effective for daily cleaning by automatic scrubber or damp mop. The surfactants penetrate and suspend soils without dulling of finishes. Neutral pH 7, Non-alkaline formula helps retain high gloss on finished floors. Simply the best cleaner for UHS programs.

6 Blue Blazes

Safely used on all surfaces not harmed by water. Blue Blazes is a work horse cleaner that can be used in mop buckets, automatic scrubbers, spray bottles, microfiber cleaning systems and even for laundering heavily soiled items (i.e. rags, linens, mops).

16 Neutra Zyme

Neutral pH 7 Non-alkaline formula helps retain high gloss on finished floors. Simply the best cleaner for UHS programs. Surface Safe, use on VCT, vinyl, rubber, laminate, sealed wood, marble, grouted tile, and natural stone floors.

17 Odor-Rite Tropical

Use in a spray bottle for general air freshening, pump up sprayer for dumpsters, or other malodor sources. Add to mop water or autoscrubber solution tanks to leave a fresh scent behind after cleaning. After using, a long lasting fresh fragrance is left behind to leave areas smelling clean.

18 Tri-Fecta

Tri-Fecta is a bio-enzymatic cleaner that effectively cleans and consumes with deodorizing action. The fresh mint fragrance leaves everything smelling fresh and clean.

70 Tough Green

Tough Green can be used for all types of cleaning and degreasing. The unique blend of biodegradable surfactants and environmentally safe solvents penetrates the dirt, grease and grime and holds them in suspension until removed with a wet pick-up vacuum, mop, squeegee or automatic scrubber.

22 Bio-Shine

BIO-SHINE is a concentrated daily floor cleaner that is based on palm, coconut, sugarcane, and corn. Naturally clean... Bio-Shine is fortified with enzymes to consume waste and neutralize odors.

256 Century Q

No-rinse, neutral pH, hospital grade disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. Use on all non-porous environmental surfaces that require disinfecting.
