

Bio-Shine

Daily Floor Cleaner

BIO-SHINE is a concentrated daily floor cleaner that is based on palm, coconut, sugarcane, and corn. Naturally clean... Bio-Shine is fortified with enzymes to consume waste and neutralize odors.

- Use on natural stone and other grouted floors.
- Effectively cleans without dulling finished hard floors.
- Contains enzymes to boost cleaning power and to reduce odors.
- Tropical citrus fragrance
- Available in gallons and Multi-Task 2 Liter bottles.

Bio-Based Cleaners:

- Ingredients derived from plant resources grown in USA.
- VOC free.
- No Petroleum based raw materials.
- Environmentally friendly.
- Renewable & Sustainable.
- Bio-Based =greenest way to be green.
- Supports our agricultural industry and reduces our nations dependency on foreign petroleum resources.

BIO-SHINE is specially formulated for daily maintenance of all types of floors, walls, and water safe surfaces. It can also be used as a rinse additive after stripping to help remove any stripper residue. BIO-SHINE contains a pleasant tropical fragrance and enzymes to help control odors on all surfaces, recovery tanks, and drains. Over 76% of ingredients in BIO-SHINE are derived from palm, coconut, sugar cane and corn.

DIRECTIONS: 1. Dilute with water: Daily Damp Mopping - 1 oz/gal (8 ml/litre); Daily Automatic Machine Scrubbing: 2 oz/gal (15 ml/litre); Medium-Duty Scrubbing - 4-8 oz./gal. (30-65 ml/litre). 2. When using product at 4-8 oz/gal dilution, rinse floors. Rinsing is optional at the other use-dilutions. 3. Water-resistant painted surfaces can also be cleaned at use-dilutions of 4-8 oz/gal (30-65 ml/litre) of water. After cleaning, wipe dry, rinsing is optional. 4. As a rinse-aid during the stripping operation, use 1 oz/gal of water in the final rinse water.

**For Daily Cleaning of
All Types of Floors.**

Properties

Properties	
Appearance	Clear liquid
% Biobased	76%
