- Rinse Free

# Century Maintenance Cleaner

## Exceptional Cleaning Power

Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping.

Great for use in UHS Programs. Can be used on ESD flooring\*.

## Neutral: pH 7

Non-alkaline formula means glossy floors will not be dulled and Century is safe for all surfaces not harmed by water. Can be used on polished marble-stone surfaces.

## Rinse Free

Does not leave a film, no extra rinse step needed. The excellent wetting and surface tension reduction allows Century to be used as an effective rinse aid after stripping.

## Environmentally Responsible

Century Maintenance Cleaner contains biodegradable surfactants and is not formulated with butyl, petroleum derived solvents, NPE's or phosphates.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

Use good safety practices: wear rubber gloves & safety goggles when handling cleaning products.

Disposal: waste from normal cleaning procedures may be sewered, depending on the materials being cleaned as well as state, federal and local sewer commission regulations.

\*Check with floor material manufacturer for compatibility.

## For Daily Cleaning of All Types of Floors.
