

DIRECTIONS: 1. Apply evenly 1 to 1 1/2 ounces to each 12 inches of mop length. (Note: When applying by spray method, avoid breathing of spray mist.) 2. Place mop in plastic bag or sealed container for approximately 3 1/2 to 4 hours before using. 3. After use, shake mop thoroughly to remove dust, lint and foreign material or clean mops by laundering. 4. When required, additional DUST FAST can be added at the end of the working day.
