Ultra Stripper

High Performance, Low Odor Stripper

A Powerful Stripper

Ultra-Stripper is able to remove build-up of floor finishes with great efficiency. This highly active stripper cuts even heavily burnished films down to bare floors quickly. Ultra Stripper also works great for deep cleaning grouted tile floors.

A Safer Stripper

Ultra Stripper is safer to use than most conventional strippers. It is non-corrosive, does not contain butyl solvent, and has low odor. Green Seal certification is proof that Ultra Stripper is safer to use and safer for the environment.

A Labor Saver
