**All-Purpose  
Peroxide Cleaner**

- Ready To Use
- Remove Beverage Stains on Carpet
- Use on any Water Safe Surfaces
- Cleans, Deodorizes and Brightens
- Grout & Tile

# X-Ray

## All-Purpose Peroxide Cleaner

**X-Ray** is a ready-to-use all purpose peroxide cleaner. The combination of hydrogen peroxide (H<sub>2</sub>O<sub>2</sub>) and biodegradable surfactants provides superior cleaning and deodorizing, yet is environmentally responsible. This is a spray n' wipe cleaner for all surfaces found in homes, offices, schools, industry and/or food service.

### Remove Beverage Stains on Carpet

X-Ray is exceptional for removing tannin based stains like coffee, tea, and colas. Hydrogen peroxide in X-Ray helps power out stains caused by sodas, sports drinks, red wine and alcoholic beverages. Safe to use on nylon, olefin and wool carpet.

### Use on any Water Safe Surfaces

X-Ray can be used for cleaning all water safe surfaces including: tile, grout, sinks, countertops, lunch tables, tub and showers areas, toilets, urinals, sinks, garbage cans...basically any kitchen or restroom surface. Safe for use on porcelain, vinyl, rubber, aluminum, stainless steel, fiberglass, sealed wood, painted surfaces, ceramic, grout, plastic etc. Do not use X-Ray on Marble or any other sensitive surfaces.

### Cleans, Deodorizes and Brightens

X-Ray will clean, deodorize and brighten all in one-step. For areas where foam develops, this is where germs and grime are hiding. Extra contact time may be beneficial to maximize the deodorization and brightening properties of X-Ray.

**WARNING & DISCLAIMER:** Results may vary. Multi-Clean chemicals are to be used only by appropriately trained personnel. IMPROPER USE POSES RISK OF PHYSICAL INJURY OR PROPERTY DAMAGE. See appropriate Multi-Clean Method Bulletin for further warnings and information for your application. The suitability of and proper application of this product is the responsibility of the applier.
