

Multi-Clean®

CITRORange™

Multi-Purpose Peroxide Cleaner

Dilutions *Range* From
Light Duty to **Heavy Duty**

Effortless • Reliable • Eco-friendly • Economical

Overview

Multi-purpose cleaning solution that covers up to 95% of all cleaning needs, eliminating the need for multiple products. One formula, countless uses powerful, safe, and environmentally responsible.

What is CitroRange™?

CITRORANGE™ is a concentrated, water-dilutable cleaner designed for versatile use on water-safe surfaces, including glass, floors, restrooms, and carpets. Formulated with hydrogen peroxide and natural orange oil, CITRORANGE™ delivers effective cleaning performance while leaving no residues.

Example 1: Cleaning

Pre-spray the area, allow the solution to dwell on heavy soil, then wipe clean. Let the surface air dry. Repeat with additional solution if necessary.

Example 2: Deodorizing

Dilute 1 ounce of per gallon of water. Apply to surfaces as needed to neutralize and eliminate unpleasant odors. For or high-level deodorizing, use 10 ounces per gallon of water. Apply product ensuring the surface is thoroughly saturated for maximum odor control.

Example 2: Carpet Extraction

Use 10 ounces of concentrate per gallon of water. Pre-spray the carpet, allow it to dwell for 10 minutes, then extract using cold water. Covers approximately 400 sq. ft. per gallon of ready-to-use solution.

FEATURES

- Simplified Training
- Easy to Use Color Coded Dispensing
- Environmentally Friendly
- Does 95% of Cleaning and Degreasing
- Made in the USA

Heavy 10 oz/ per gallon

51 Gallons / 1 Case of 4 Gallons

Simplicity

CITRORANGE™ delivers the simplicity of a classic peroxide cleaner—effective, uncomplicated, and dependable. A clean formula for a cleaner space.

- 1 Delivers the straightforward effectiveness of a classic hydrogen-peroxide cleaner.
- 2 No unnecessary additives—just reliable, everyday cleaning power.

Savings

One product. Two dilutions. Maximum versatility.

1. General Cleaning

- Glass
- Neutral Floor Cleaner
- Stainless Steel
- Restroom Care
- Carpet Care

2. Degreasing

Eliminates grease while maintaining a neutral pH. Use on any surface that is safe for water. Results are free from grease and residue.

3. Deodorizing

Eliminates bacteria that cause odors. Infiltrates surfaces, oxidizes, and removes the source of the odor.

HOW TO USE

Dilute 10 oz per gallon of water (1:12.8) for heavy-duty cleaning and sanitizing applications. This concentration is intended for high-soil areas requiring enhanced cleaning power, helping remove tough dirt, grime, and organic residues while deodorizing treated surfaces.

Easy Dispensing

CITRORANGE™ Dispenser A color- and number-driven system makes training fast and intuitive, with dispenser color coding that aligns with wall chart and secondary labels.

Part 421460

TECHNICAL DATA

Parameter	Specification
Fragrance	Citrus
Concentration pH	4-5
Dilution pH	Neutral
Color	Light Orange
Flashpoint	None
Concentrate Storage Stability	1 yr/ normal conditions

QUALITY STANDARDS

> Eco-Preferred Product

Adheres to Multi-Clean's internal evaluation of strict criteria in order to have minimal human health and environmental impact.

> Compliance

GHS and Health Canada compliant Including English, French, and Spanish on label.
